OREGON TRAIL COUNCIL

Important Dates at a Glance for the 2024-2025 Cycle

Oregon Trail Council and all our districts are excited to present the council and district event dates for September 1, 2024 through August 31, 2025.

Units are encouraged to use these dates as the foundation for planning their own calendars for the same time period. We encourage units to have their 2024/25 calendars ready to publish for families by the end of this coming July. If they can make this happen, families, youth and unit leadership will have the best possible roadmap to deliver The Scouting Promise!
